

Mark Clark

Mark is a licensed optician at Lenscrafters in Fayetteville where he currently works as a Lab Manager. A native of Moore County, Mark lives in Pinehurst with his family. He has more than 30 years' experience, beginning his apprenticeship in Opticianry in 1975 working in a full-surface lab with Wesley Matthews at Sandhills Optical Company in Southern Pines. He entered the US Navy in 1978, serving four years for his country; on completion of his term he returned to the optical industry, finished his apprenticeship under Don Register at Sandhills Optical and received his NC optician's license in 1985.

Mark began his career with Lenscrafters in 1987, where he worked as a Retail Manager and was promoted to General Manager. He continued his career ascension as a Regional Manager while working and training at locations throughout the Mid-Atlantic States. Throughout that time, he mentored many associates that successfully became licensed opticians and even now, continues to be a resource for his peer group by providing training and insight in all facets of retail and lab operations.

During his 30+ years at Lenscrafters Mark has participated in several Vision Van/One Sight missions throughout the Carolinas.

Mr. Clark was appointed by Governor Cooper for a term that expires in 2020.
